Don't leave your retirement behind! Dahl Consulting offers all eligible employees the opportunity to participate in its 401(K) Retirement Savings Plan administered by The Standard (subject to plan provisions) and includes investment options designed to accommodate any investor's needs. In 2024, up to 100% of annual compensation can be deferred subject to a \$23,000-year maximum (\$30,500 maximum over 50 years of age).

In 2024, DAHL plans to match 25% of the first 8% that you contribute to your 401(K). Since matches are made on a discretionary basis, the final decision is made at year-end. Matching contributions will be sent to The Standard at the end of each calendar year. You must be employed on December 31st of the calendar year and have worked a minimum of 1,000 hours within the calendar year to receive the company match. Please refer to the vesting schedule below for additional information.
