GENERAL INFORMATION

About This Minnesota Addendum

Doherty Staffing Solutions, Inc. (“The Company”) is committed to workplace policies and practices that comply with federal, state and local laws. For this reason, Minnesota employees will receive the Company’s Assignment Handbook the Minnesota Addendum to the Assignment Handbook (together, the “Employee Handbook”).

The Minnesota Addendum applies only to Minnesota employees. It is intended as a resource containing specific provisions under Minnesota law that apply to the employee’s employment. It should be read together with the Assignment Handbook and, to the extent that the policies in the Minnesota Addendum are different from or more generous than those in the Assignment Handbook, the policies in the Minnesota Addendum will apply.

The Minnesota Addendum is not intended to create a contract of continued employment or alter the at-will employment relationship. Only the President/Owner of Doherty Staffing Solutions, Inc. or that person’s authorized representative has the authority to enter into an agreement that alters the at-will employment relationship, and any such agreement must be in writing and signed by the President/Owner of Doherty Staffing Solutions, Inc. or an authorized representative.

If employees have any questions about these policies, they should contact their Doherty Staffing Solutions, Inc. representative.

COMMITMENT TO DIVERSITY

Equal Employment Opportunity

As set forth in the Employee Handbook, Doherty Staffing Solutions, Inc. is committed to equal employment opportunity and to compliance with federal antidiscrimination laws. We also comply with Minnesota law, which prohibits discrimination and harassment against employees or applicants for employment based on race (including traits associated with race, such as hair texture and hair styles (e.g., braids, locs and twists)), color, creed, religion, national origin, sex (including pregnancy, childbirth and related disabilities), marital status, familial status, actual or perceived sexual orientation, gender identity, status with respect to public assistance membership or activity in a local commission, disability, military status, the use of lawful products (e.g. tobacco products) off company premises during nonworking hours, genetic information, and age (over 18).

The Company also complies with the Minnesota law prohibiting discrimination against employees because they decline to contribute or donate to charities or community organizations and the law prohibiting discrimination based on an employee’s wages being subject to garnishment. The Company will not tolerate discrimination or harassment based upon these characteristics or any other characteristic protected by applicable federal, state or local law.

Pregnancy Accommodation

In addition to the pregnancy accommodations provided in accordance with the federal Pregnant Workers Fairness Act, as described in the Employee Handbook, the Company will provide employees with reasonable accommodations for health conditions related to pregnancy or childbirth in accordance with Minnesota's Nursing Mothers, Lactating Employees and Pregnancy Accommodations law.

Employees may request reasonable accommodations, such as temporary transfer to a less strenuous or hazardous position, temporary leave of absence, modification in work schedule or job assignments, seating, more frequent or longer break periods, and limits to heavy lifting. The following reasonable accommodations will be provided upon request and without medical certification: (1) more frequent or longer restroom, food and water breaks; (2) seating; and/or (3) limits on lifting over 20 pounds. For all other requests for reasonable accommodation, an employee must obtain the advice of her licensed health care provider or certified doula, and the request need not be granted if it would impose an undue hardship on the operation of the Company's business.

A reasonable accommodation does not require the Company to create a new or additional position, terminate any other employee, transfer any other employee with greater seniority or promote any employee.

During a leave of absence taken in accordance with this policy, the Company will continue to make insurance coverage under any group insurance policy, group subscriber contract or healthcare plan available to the employee and the employee's dependents on the same basis as if the employee were not on leave. This means that, if an employee wants their insurance coverage to continue during their leave, they must continue to make the same payments for benefits for themselves and their dependents as when they were not on leave.

Employees who take a leave of absence under this policy will be reinstated to the same position and pay (including any automatic adjustments that occurred during the leave period) or to a position of comparable duties, hours and pay. Employees returning from a leave lasting longer than one month must notify their Doherty Staffing Solutions, Inc. representative at least two weeks prior to the anticipated return date.

Employees with questions or concerns regarding this policy or who would like to request an accommodation should their Doherty Staffing Solutions, Inc. representative. The Company will not discharge, discipline, penalize, interfere with, threaten, restrain, coerce, or otherwise discriminate or retaliate against employees because they request or make use of accommodations in accordance with this policy. This policy does not limit a pregnant employee's rights under any other policy or laws protecting gender, pregnancy, childbirth or health conditions related to pregnancy or childbirth.

Employees who believe they have been denied an accommodation or break time, retaliated against or otherwise treated in a manner that violates this policy should immediately report this concern to their Doherty Staffing Solutions, Inc.

representative. Employees who believe their rights under the Nursing Mothers, Lactating Employees and Pregnancy Accommodations law have been violated can also contact the Minnesota Department of Labor and Industry's Labor Standards Division at dli.laborstandards@state.mn.us or 651-284-5075. Individuals have the right to file a civil lawsuit for relief. Additional information about the law can be found at <https://dli.mn.gov/newparents>.

Wage Disclosure Protection

No employee will be prohibited from disclosing the amount of their own wages or discussing another employee's wages. The Company will not take any adverse employment action against an employee because the employee makes such a disclosure, engages in such discussion, or asserts any rights under this policy.

Nothing in this policy will be construed to require an employee to disclose their wages to anyone. Moreover, this policy does not permit the disclosure of any proprietary information, trade secret, or information that is otherwise subject to a legal privilege or protected by law, without the express written consent of management; nor does it condone the disclosure of protected information concerning other employees to a competitor where prohibited by policy or contract. An employee may bring a civil action for a violation of this policy seeking any of the remedies available under the Minnesota Wage Disclosure Protection Law, including if appropriate, reinstatement, back pay, restoration of service credit, and expungement of adverse employment records.

GENERAL EMPLOYMENT PRACTICES

Access to Personnel Files

Employees may review or obtain a copy of their personnel file once per six-month period, by submitting a written request to their Doherty Staffing Solutions, Inc. representative. The review will take place in the presence of a company representative, at the employee's place of employment or a reasonably nearby location, and during normal business hours. Upon separation from employment, employees may obtain a copy of their personnel file once each year after separation for as long as the personnel record is maintained.

The following records are not subject to inspection: written references or letters of recommendation; certain information pertaining to a criminal or civil investigation; certain protected educational records; results of employer testing (except for cumulative scores); medical records; information relating to the Company's salary system and staff planning; certain information relating to other people, including co-workers; and certain privileged information.

Employees who disagree with any of the information contained in their personnel file should notify their Doherty Staffing Solutions, Inc. representative. If an employee and the Company cannot agree to remove or correct the specified information, the employee may submit a written statement, not to exceed five pages in length, explaining the employee's

position regarding the disputed information. The statement will be maintained as part of the employee's personnel file and included in any disclosure to a third party.

PAY PRACTICES

Lactation Accommodation

In compliance with Minnesota's Nursing Mothers, Lactating Employees and Pregnancy Accommodations law, the Company will provide reasonable paid break times each day to accommodate an employee desiring to express milk. The break time can run concurrently with rest and/or meal breaks.

The Company will make reasonable efforts to provide a clean, private and secure room or other location that is not a toilet stall and that has access to an electrical outlet for employees to express milk. Employees should discuss with their Doherty Staffing Solutions, Inc. representative the location to express milk and to store expressed milk and to make any other arrangements under this policy.

Employees should provide reasonable notice to the Company that they intend to take breaks for expressing milk upon returning to work.

The Company will not discharge, discipline, penalize, interfere with, threaten, restrain, coerce or otherwise retaliate or discriminate against an employee who requests or makes use of the accommodations and break time described in this policy. Employees who believe they have been denied an accommodation or break time, retaliated against or otherwise treated in a manner that violates this policy should immediately report this concern to their Doherty Staffing Solutions, Inc. representative. Employees who believe their rights under the Nursing Mothers, Lactating Employees and Pregnancy Accommodations law have been violated can also contact the Minnesota Department of Labor and Industry's Labor Standards Division at dli.laborstandards@state.mn.us or 651-284-5075. Individuals have the right to file a civil lawsuit for relief. Additional information about the law can be found at dli.mn.gov/newparents.

Meal and Rest Breaks

Nonexempt employees who work eight or more consecutive hours will be provided a 30-minute meal break. During the break, employees will be relieved of all duties. An uninterrupted 30-minute meal break will be unpaid.

Employees will be provided adequate time to use the nearest convenient restroom during each consecutive four-hour period of work.

Employees who are unable to take all of the meal or rest breaks to which they are entitled in accordance with this policy or who have been prevented or discouraged from taking a break to which they are entitled under this policy should immediately notify their Doherty Staffing Solutions, Inc. representative.

Minimum Wage Rights for St. Paul Employees

Employees who work within the City of St. Paul, Minnesota are generally entitled to earn at least the minimum wage rate required under the City's Minimum Wage Ordinance ("MWO") for time spent working in the City. The MWO applies to employees working within the City limits for at least two hours in a one week period, regardless of their immigration status.

Employees who have questions about this policy or their pay should contact their Doherty Staffing Solutions, Inc. representative. The Company will not retaliate against employees or tolerate retaliation against employees because they request payment of the minimum wage or report a violation of the MWO. Employees have the right to report a violation of the MWO to the City of Saint Paul's Department of Human Rights & Equal Economic Opportunity, Labor Standards Education and Enforcement Division, if they: have been denied payment of the required minimum wage and/or have been retaliated against for requesting payment of the minimum wage or reporting a violation of the MWO.

TIME OFF AND LEAVES OF ABSENCE

Pregnancy and Parenting Leave

Employees will be allowed up to 12 weeks of unpaid pregnancy or parenting leave in accordance with the Minnesota Pregnancy and Parenting Leave Act (MPPLA).

MPPLA leave is available to biological or adoptive parents in conjunction with the birth or adoption of a child. A "child" is a person under the age of 18 or under the age of 20 but still attending a secondary school. The leave must begin within 12 months of the birth or adoption of the employee's child, or if the child remains in the hospital longer than the mother, within 12 months after the child leaves the hospital.

MPPLA leave is also available to female employees for prenatal care or for incapacity due to pregnancy, childbirth or related health conditions and will begin at a time requested by the employee.

Where both the federal Family and Medical Leave Act (FMLA) and MPPLA apply, the leave provided by each will count against the employee's entitlement under both laws. An employee who is eligible for leave under only one of these laws will receive benefits in accordance with that law only.

The amount of pregnancy or parenting leave will be reduced by any company-provided paid leave, including disability, personal, medical or sick leave or accrued vacation time, so the total leave (pregnancy/parenting plus paid leave) is generally not more than 12 weeks. However, the length of pregnancy or parenting leave will not be reduced by any period of paid or unpaid leave taken for prenatal care medical appointments.

The Company will continue to make insurance coverage under any group insurance policy, group subscriber contract or healthcare plan available to the employee and the

employee's dependents on the same basis as if the employee were not on leave. This means that, if an employee wants their insurance coverage to continue during their leave, they must continue to make the same payments for benefits for themselves and their dependents as when they were not on leave.

Employees must notify their Doherty Staffing Solutions, Inc. representative of the date and duration of the requested leave no later than 30 days before the commencement of the leave. Employees returning from a leave lasting longer than one month must notify their Doherty Staffing Solutions, Inc. representative at least two weeks prior to the anticipated return date.

Upon return, employees will be reinstated to the same position and pay (including any automatic adjustments that occurred during the leave period) or to a position of comparable duties, hours and pay.

The Company will not discharge, discipline, penalize, interfere with, threaten, restrain, coerce or otherwise retaliate or discriminate against an employee for requesting or taking a pregnancy or parenting leave of absence in accordance with this policy.

Adoption Leave

Employees who are adoptive parents will be permitted to take up to four weeks of leave for the adoption of a child. Leave may begin before or at the time the child is placed in the home and can be for the purpose of arranging for the child's placement or caring for the child after placement.

For further information or to request leave under this policy, contact their Doherty Staffing Solutions, Inc. representative.

Minnesota Paid Sick Leave

The Company provides eligible employees with paid sick leave pursuant to the Minnesota Earned Sick and Safe Law ("ESSTL").

Eligibility

All employees anticipated by the Company to work in Minnesota for at least 80 hours in any year are eligible to receive paid sick leave under this policy.

Accrual and Carryover of Paid Sick Leave

Employees begin to accrue paid sick leave on their first calendar day of employment with the Company or their date of eligibility under the ESSTL, whichever is later.

Paid sick leave accrues at a rate of one hour for every 30 hours worked, up to a maximum of 48 hours in a benefit year, and an overall accrual cap of 80 hours. Once an employee's paid sick leave balance reaches 80 hours, no further paid sick leave will accrue until previously accrued paid sick leave is used. Employees will not be given retroactive credit

for any period of time in which they do not accrue paid sick leave because their balance was at the accrual cap. For purposes of this policy, the benefit year is January 1, 2024 or the employees first day of employment, whichever is later.

For accrual purposes, exempt employees are assumed to work 40 hours per workweek unless their normal workweek is fewer than 40 hours per week, in which case paid sick leave accrues based upon the employee's normal workweek hours. Nonexempt employees accrue paid sick leave based on all hours worked, including overtime.

Employees may carry over all accrued but unused paid sick leave from one benefit year to the next. The Company does not pay out any unused paid sick leave at year-end in lieu of carryover.

Employees will be able to determine the amount of paid sick leave available for use by reviewing their paystubs.

Using Paid Sick Leave

Employees may use paid sick leave as it is accrued. Employees must use paid sick leave in 1 hour increments, to cover all or part of a workday.

Employees are not required to search for or find a replacement worker to cover the period during which they use paid sick leave.

Covered Reasons for Use

Paid sick leave may be used only during times that an employee cannot work for the following reasons:

- The employee's: mental or physical illness, injury or health condition; need to seek medical diagnosis, care or treatment for the illness, injury or health condition; or need for preventive medical or health care.
- A family member's: mental or physical illness, injury or health condition; need to seek medical diagnosis, care or treatment for the illness, injury or health condition; or need for preventive medical or health care.
- Closure of the employee's place of business, or family member's school or place of care, due to weather or other public emergency.
- The employee's inability to work or telework because the employee is:
 - Prohibited from working by the Company due to health concerns related to the potential transmission of a communicable illness related to a public emergency; or
 - Seeking or awaiting the results of a diagnostic test for, or a medical diagnosis of, a communicable disease related to a public emergency and

the employee has been exposed to a communicable disease or the Company has requested a test or diagnosis.

- Health authorities having jurisdiction or a health care professional determines that the employee's or a family member's presence in the community would jeopardize others' health because of the individual's exposure to a communicable disease, whether or not the employee or family member has actually contracted the communicable disease.
- An employee's need to make arrangements for or attend funeral services or a memorial, or to address financial or legal matters that arise after the death of a family member.
- Absences due to domestic abuse, sexual assault, or stalking of an employee or a family member, provided the absence is to:
 - Seek medical attention related to physical or psychological injury or disability;
 - Obtain services from a victim services organization;
 - Obtain psychological or other counseling;
 - Seek relocation or take steps to secure an existing home; or
 - Seek legal advice or take legal action, including preparing for or participating in any civil or criminal legal proceeding.

Family Member. For purposes of this policy, "family member" means the employee's spouse, registered domestic partner, child, legal ward, parent, grandchild, grandparent, sibling, aunt or uncle, niece or nephew, family member of the employee's spouse or registered domestic partner, any other individual related by blood or whose close association with the employee is the equivalent of a family relationship, or a designated person. A "designated person" means a person identified annually by the employee as another person for whom the employee requests paid sick leave.

Notice Required

If the need to use paid sick leave is foreseeable, such as for prescheduled medical appointments and court dates in domestic violence cases, employees must provide at least seven (7) days' advance notice to their Doherty Staffing Solutions, Inc. representative of an absence from work. If the need to use paid sick leave is unforeseeable, employees must provide notice to their Doherty Staffing Solutions, Inc. representative as soon as practicable. Employees may provide notice to their Doherty Staffing Solutions, Inc. representative by phone, e-mail or text message.

When notifying the Company of the need to use paid sick leave, an employee should include the anticipated duration of the absence, when possible.

In all circumstances, employees are responsible for specifying that the time off is for paid sick leave reasons (as opposed to, for example, vacation), so that the absence may be designated as a paid sick leave absence.

Verification of Absence

If an employee uses paid sick leave for more than three (3) consecutive scheduled workdays, the Company may require a doctor's note or other verification of the employee's need for the absence. Depending on the circumstances, verification may include a doctor's note (for the employee's own or family member's health condition); police report, court document, or court order of protection (indicating domestic violence, stalking, etc.); and/or other verification as permitted by applicable law. The Company will keep confidential any documentation or verification information provided regarding leave use, in accordance with federal, state and local law.

Discipline for Unprotected Use of Paid Sick Leave

Discipline – up to and including termination – may be taken against an employee who uses paid sick leave for a purpose not covered by, or in a manner not consistent with, the ESSTL. In addition, discipline – up to and including termination – may be taken against an employee that violates this policy's requirements concerning requesting, using, recording, verifying, and/or documenting use of paid sick leave.

Rate of Pay

The rate of pay for sick leave will be calculated in accordance with applicable law.

Separation from Employment and Rehire

The Company does not pay employees for unused paid sick leave at any time, including upon separation from employment for any reason.

If an employee's employment with the Company ends and the employee is rehired within 90 days of employment ending, the employee's previously accrued but unused paid sick leave balance will be reinstated and made available for use in accordance with the ESSTL.

No Discrimination or Retaliation

As long as the use of paid sick leave complies with the requirements of this policy and the ESSTL, the Company will not count employees' use of paid sick leave as an absence or "occurrence" under any Company attendance policy. Therefore, any such use of paid sick leave will not lead to or result in discipline, demotion, suspension or termination.

The Company will not retaliate or discriminate against any employee for requesting or using paid sick leave for authorized circumstances or for making a complaint or informing a person about a suspected violation of this policy, cooperating or participating in any investigation, administrative hearing or judicial action regarding an alleged violation, opposing any policy or practice prohibited by any sick and safe time or mandatory paid leave law, or informing any person of their potential rights under the law.

If the need to use paid sick leave is foreseeable, such as for prescheduled medical appointments and court dates in domestic violence cases, employees must provide at least seven (7) days’ advance notice to their Doherty Staffing Solutions, Inc. representative of an absence from work. If the need to use paid sick leave is

unforeseeable, employees must provide notice to their Doherty Staffing Solutions, Inc. representative as soon as practicable. Employees may provide notice to their Doherty Staffing Solutions, Inc. representative by phone, e-mail or text message.

When notifying the Company of the need to use paid sick leave, an employee should include the anticipated duration of the absence, when possible.

In all circumstances, employees are responsible for specifying that the time off is for paid sick leave reasons (as opposed to, for example, vacation), so that the absence may be designated as a paid sick leave absence.

Verification of Absence

If an employee uses paid sick leave for more than three (3) consecutive scheduled workdays, the Company may require a doctor's note or other verification of the employee's need for the absence. Depending on the circumstances, verification may include a doctor's note (for the employee's own or family member's health condition); police report, court document, or court order of protection (indicating domestic violence, stalking, etc.); and/or other verification as permitted by applicable law. The Company will keep confidential any documentation or verification information provided regarding leave use, in accordance with federal, state and local law.

Discipline for Unprotected Use of Paid Sick Leave

Discipline – up to and including termination – may be taken against an employee who uses paid sick leave for a purpose not covered by, or in a manner not consistent with, the ESSTL or the MSSTO. In addition, discipline – up to and including termination – may be taken against an employee that violates this policy's requirements concerning requesting, using, recording, verifying, and/or documenting use of paid sick leave.

Rate of Pay

The rate of pay for sick leave will be calculated in accordance with applicable law.

Separation from Employment and Rehire

The Company does not pay employees for unused paid sick leave at any time, including upon separation from employment for any reason.

If an employee's employment with the Company ends and the employee is rehired within 90 days of employment ending, the employee's previously accrued but unused paid sick leave balance will be reinstated and made available for use in accordance with the ESSTL.

No Discrimination or Retaliation

As long as the use of paid sick leave complies with the requirements of this policy, the ESSTL, and the MSSTO, the Company will not count employees' use of paid sick leave as an absence or "occurrence" under any Company attendance policy. Therefore, any

such use of paid sick leave will not lead to or result in discipline, demotion, suspension or termination.

The Company will not retaliate or discriminate against any employee for requesting or using paid sick leave for authorized circumstances or for making a complaint or informing a person about a suspected violation of this policy, cooperating or participating in any investigation, administrative hearing or judicial action regarding an alleged violation, opposing any policy or practice prohibited by any sick and safe time or mandatory paid leave law, or informing any person of their potential rights under the law.

Saint Paul Paid Sick Leave (for Saint Paul Employees Only)

The Company provides eligible employees with paid sick leave pursuant to the Minnesota Earned Sick and Safe Law (“ESSTL”) and the Saint Paul Earned Sick and Safe Time Ordinance (“ESSTO”). The Company will comply with all applicable requirements of the law that is more favorable to employees.

Eligibility

All employees working in Saint Paul for the Company for at least 80 hours in any year are eligible to receive paid sick leave under this policy.

Accrual and Carryover of Paid Sick Leave

Employees begin to accrue paid sick leave on their first calendar day of employment with the Company or their date of eligibility under the ESSTO, whichever is later.

Sick leave accrues at a rate of one hour for every 30 hours in Saint Paul up to a maximum of 48 hours in a benefit year, and an overall accrual cap of 80 hours. Once an employee’s paid sick leave balance reaches 80 hours, no further sick leave will accrue until previously accrued paid sick leave is used. Employees will not be given retroactive credit for any period of time in which they do not accrue paid sick leave because their balance was at the accrual cap. For purposes of this policy, the benefit year is January 1, 2024 or the employees first date of employment, whichever is later.

For accrual purposes, exempt employees are assumed to work 40 hours per workweek unless their normal workweek is fewer than 40 hours per week, in which case paid sick leave accrues based upon the employee’s normal workweek hours. Nonexempt employees accrue paid sick leave based on all hours worked, including overtime.

Employees may carry over all accrued but unused paid sick leave from one benefit year to the next. The Company does not pay out any unused paid sick leave at year-end in lieu of carryover.

Employees will be able to determine the amount of paid sick leave available for use by reviewing their paystubs.

Using Paid Sick Leave

Employees may use paid sick leave as it is accrued.

Employees must use paid sick leave in 1 hour increments, to cover all or part of a workday.

Employees are not required to search for or find a replacement worker to cover the period during which they use paid sick leave.

Covered Reasons for Use

Paid sick leave may be used only during times that an employee cannot work for the following reasons:

- The employee's: mental or physical illness, injury or health condition; need to seek medical diagnosis, care or treatment for the illness, injury or health condition; or need for preventive medical or health care.
- A family member's: mental or physical illness, injury or health condition; need to seek medical diagnosis, care or treatment for the illness, injury or health condition; or need for preventive medical or health care.
- Closure of the employee's place of business, or family member's school or place of care, due to weather or other public emergency.
- The employee's inability to work or telework because the employee is:
 - Prohibited from working by the Company due to health concerns related to the potential transmission of a communicable illness related to a public emergency; or
 - Seeking or awaiting the results of a diagnostic test for, or a medical diagnosis of, a communicable disease related to a public emergency and the employee has been exposed to a communicable disease or the Company has requested a test or diagnosis.
- Health authorities having jurisdiction or a health care professional determines that the employee's or a family member's presence in the community would jeopardize others' health because of the individual's exposure to a communicable disease, whether or not the employee or family member has actually contracted the communicable disease.
- An employee's need to make arrangements for or attend funeral services or a memorial, or to address financial or legal matters that arise after the death of a family member.

- Absences due to domestic abuse, sexual assault, or stalking of an employee or a family member, provided the absence is to:

 - Obtain services from a victim services organization;
 - Obtain psychological or other counseling;

 - Seek legal advice or take legal action, including preparing for or participating in any civil or criminal legal proceeding.

Nursing Mothers, Lactating Employees, and Pregnancy Accommodations employee notice

Minnesota's Nursing Mothers, Lactating Employees, and Pregnancy Accommodations law (Minnesota Statutes § 181.939) gives pregnant and lactating employees certain legal rights.

Pregnant employees have the right to request and receive reasonable accommodations, which may include, but are not limited to, more frequent or longer breaks, seating, limits to heavy lifting, temporary transfer to another position, temporary leave of absence or modification in work schedule or tasks.
